

Confined Space Awareness / Refresher

Aims

The aim of this half day course is to ensure that the delegates understand the importance of applying a safe system of work prior to entering a confined space. This can be a stand-alone awareness session, or a refresh of a full course.

Objectives

At the end of the course each delegate will be familiar with their responsibilities according to the law and know the correct procedure to enter a confined space.

Programme content

What is a Confined Space

What the Law Says

Confined Spaces Regulations 1997

The Dangers In a Confined Space
