

Course Aims

To provide basic information and areas of responsibility for health, safety and environment.
To understand the implications of hazard recognition/risk assessment and the effects on individuals and the employer.
To demonstrate how individual behaviour can help reduce accidents.
To build on the basic health and safety information in the MPQC Core Day programme by concentrating on risks specifically found in the Mineral Extraction and Products Industry
To understand the implications of: risk of personal injury, cost to the business, job security, environment not properly considered.

Objectives

On completion of the course delegates will have the knowledge to:

Demonstrate their understanding of the subjects by successfully completing each module assessment paper
Appreciate how they personally can influence good standards within health safety & environment.
Understand the value of risk assessment and have the knowledge to recognise when change to a generic assessment is required
Understand the common hazards associated with working in this sector

Programme summary

MPQC Core Day

6 Modules which include
Health & Safety law and responsibilities
Risk assessments
Safe place of work, safe behaviours
Common hazards including fire, asbestos, confined spaces and display screen equipment
Power and hand tools, electricity
Health issues including manual handling, noise, hazardous substances and stress
First aid, road safety, reporting of accidents and incidents
Environmental considerations

Mineral Products Day

Modules include
Danger areas, unprotected edges, quicksand, lagoons, blasting, bitumen and cement
Mobile plant, reversing vehicles, heavy mobile plant, crane operations and slinging

Programme may be subject to change without prior notification

Safety Passport

Successfully completing all assessment papers will result in a safety passport being issued. The passport is valid for 3 years and can be refreshed by attending a one day course anytime during the 6 months before the expiry date. **Please note: the SPA Core passport is not an exemption from the first day.**

What Is the Qualifications and Credits Framework (QCF)?

The QCF is not a qualification; it is a framework that contains many qualifications of all types. The framework is a new way of recognizing skills and qualifications. It does this by awarding credit for qualifications and units (small steps of learning). It enables people to gain qualifications at their own pace along flexible routes.

Fees

£154.99 (plus £28 SPA Passport Fee, £47 MPQC/QCF Fees) + VAT (non-residential). Please note Passport fees may be subject to change.

Dates and Venues

The Court

13 - 14 January 2020
05 - 06 March 2020
18 - 19 May 2020
20 - 21 July 2020
07 - 08 September 2020
05 - 06 November 2020

The Mount

06 - 07 February 2020
06 - 07 April 2020
18 - 19 June 2020
13 - 14 August 2020
22 - 23 October 2020
17 - 18 December 2020

The Venues

Public courses are delivered at our training centres The Court in Southam, Warwickshire and The Mount in Bromsgrove, Worcestershire.

Alternatively, if you have a group of people we can deliver this course at your premises. Talk to us about your requirements and our competitive in-company training rates.
