

### Course Aims

To provide updated information and areas of responsibility for health, safety and environment concentrating on risks specifically found when working on Petrol Forecourts.  
To understand the implications of hazard recognition/risk assessment and the effects on individuals and the employer.  
To demonstrate how individual behaviour can help reduce accidents.

### Objectives

On completion of the course delegates will have the knowledge to:

Demonstrate their understanding of the subjects by successfully completing each module assessment paper  
Appreciate how they personally can influence good standards within health safety & environment.  
Understand the value of risk assessment and have the knowledge to recognise when change to a generic assessment is required  
Understand the common hazards associated with working in this sector

### Programme content

Modules include

Start of the day preparations, the contractor, work and personal protective equipment  
Paperwork review, risk assessments, method statements, clearance certificates and permits  
Driving for work hazards and controls, pre work safety check list, communications  
Fuel hazards, hazardous areas and control measures  
Excavations and work at height, confined spaces and electricity on a forecourt  
Hazardous substances and controls, noise and vibration  
Environmental considerations and control measures

*Programme may be subject to change without prior notification*

### Safety Passport

Successfully completing all assessment papers will result in a safety passport being issued. The renewed passport is valid for 3 years and can be refreshed anytime during the 6 months before the expiry date.

### Fees

**£114.99 (plus £28 SPA and £7 Petrol Retail Sector Passport Fees) + VAT (non-residential).**  
*Please note Passport fees may be subject to change.*
