

CITB is the Sector Skills Council and Industry Training Board for the construction industry.

Course Aims

This one-day course will reinforce and update your knowledge and understanding of your legal responsibilities regarding health, safety, welfare and environmental issues.

Candidates must take an SSSTS Refresher course before their existing certificate expires, otherwise the full SSSTS course will have to be taken again. There is no longer a grace period available.

Objectives

At the end of the period of training, delegates will be aware of, and able to:

- Understand the problems of the industry
- Have an understanding of how health and safety law is structured and how it applies to supervisors
- Identify how their supervisory role fits in with the management structure in controlling the site safely
- Carry out risk assessments and understand the need for method statements
- Carry out effective site inductions, toolbox talks and method statement briefings
- Be able to monitor site activities effectively
- Understand the importance of timely intervention when bad practice is identified.

Programme summary

- How health and safety law is structured
- How the supervisory role fits in with the manager's role in controlling the site safely
- Understanding the need for method statements
- Construction Site Health, Safety and Welfare Communication routes within site activity
- Behavioural safety
- Supervision of occupational health

This is a highly interactive course delivered by means of case studies, classroom discussion, group work and individual/group presentations. You will be continuously assessed and required to successfully complete a multiple-choice test.

Extensive printed handout material is provided for each delegate

Successful delegates will receive the CITB Construction Site Supervisors Safety Certificate

Please note we impose a minimum of 6 delegates per course.

Fees

£205.90 (includes CITB Fees) + VAT (non-residential).
