

Course

This is a unitised programme accredited by the National Examination Board in Occupational Safety and Health The NEBOSH National Diploma is accredited at Level 6 in the National Qualification Framework and is accepted by the Institution of Occupational Safety and Health for admission at the membership grade of Grad IOSH on successful completion.

Course entry requirements

There are no entry criteria but to excel on the course candidates should have good written and verbal communication skills supported by a good general education. If you are new to the profession we recommend, but don't insist, that you attend the NEBOSH National General Certificate or equivalent as a foundation course before embarking on the Diploma

Our Diploma is an integrated programme consisting of 34 days of professional development. We put you in the driving seat as a safety professional and challenge you to analyse problems and provide solutions to improve the culture of our model companies.

The programme is presented entirely by KeyOstas consultants and this guarantees that:

They will be there to deliver their part of the programme They know what the whole programme involves
They understand student's expectations for professional tutorials.

They work together as a tutorial team

They will help you to put theory into practice and offer you a total learning experience from start to finish that you won't get anywhere else.

Take a moment to think about where you want to be in five years time. If, like us, you strive to be the best at what you do, then commit to one of the most arduous but rewarding programmes of study you have ever encountered; add value to your CV and increase your asset worth to your employer.

Programme Summary

You will learn about:

The management of risk

The influence of human and organizational factors on your company's safety performance, Health and safety law, Safety of plant, materials, equipment, premises and processes
The harmful effects of exposure to chemicals and other health hazards in the workplace

Assessment

Assessment is by formal examinations which can be taken after each unit at the national dates or at one sitting after completing your training. You are also required to submit a detailed assignment (Unit DNI) submission dates are in February, May, August and November. The examinations and assignment are set and marked by NEBOSH but we will prepare you to sit the exams with confidence by setting and marking phased tests during the course and our Unit DNI Workshop session is available to all delegates.

Directed Private Study

Private study is the key to success. Some of this will be self-determined by your personal interests but our unique guided study work books will not only help consolidate what you have learned, but also help you learn more about your company and how the theory of the NEBOSH syllabus can be put into practice. When following the directed study, all students will have access to telephone or email support.

Why choose KeyOstas?

We care about the products we deliver; we care about our delegates; and we care about our profession and its impact upon our clients' effectiveness.
