

Safety Passport Alliance (SPA) Supervisor

Course Aims

To provide people who are responsible for others with the skills/knowledge to supervise safely.
To provide an introduction to human factors, and how they influence safety in the workplace.
Exercise, requiring candidates to write down the one thing they could start tomorrow, to most improve the safety performance of their workers

Objectives

On completion of the course delegates will have the knowledge to:

Demonstrate their understanding of the subjects by successfully completing the assessment paper
Appreciate how they personally can influence good standards within health safety & environment.
Understand the value of risk assessment and control documentation
Understand the requirements for supervising others, considering behavioural safety requirements

Programme summary

5 Modules which include
Review of Health & Safety law and responsibilities for clients and contractors
Safety management systems and continuous improvement
Information handover and communications, giving out work effectively
Individual capabilities, competence, team work and behaviours
Tool box talk methodology and examples
Accidents – definition, prevention, investigation
Exercises are run throughout the day to emphasise the learning points and check confirmation of understanding

Programme may be subject to change without prior notification

Safety Passport

Successfully completing all assessment papers will result in a renewed safety passport being issued. The new passport is valid for 3 years and can be refreshed anytime during the 6 months before.

Fees

£179.99 (plus £28 Passport Fee) + VAT (non-residential).
Please note Passport fees may be subject to change.
