

CITB is the Sector Skills Council and Industry Training Board for the construction industry.

Course

This two-day course aims to refresh your understanding of your key responsibilities and accountability for site safety, health, welfare and the environment, enabling you to provide healthy and safe working conditions for everyone on site.

Candidates must take an SMSTS Refresher course before their existing certificate expires, otherwise the full SMSTS course will have to be taken again. There is no longer a grace period available.

Objectives

At the end of the period of training, delegates will be aware of, and able to:

Implement all health, safety, welfare and environmental legislation which affects them during their daily work

Implement new guidance and industry best practice

State their duties and responsibilities with regards to health, safety, welfare and the environment.
