

The Institution of Occupational Safety and Health is the UK's leading professional body

Aims

The Managing Safely Refresher course is designed to provide continued support to managers in dealing with health and safety issues in the workplace.

Specifically, the course aims to:

Revise key management responsibilities from the original Managing Safely course
Update relevant changes in good practice, guidance, legislation and standards

Objectives

At the end of the course each delegate should be able to:

Recall the key elements addressed in IOSH Managing Safely
Outline the 6 stages of Successful Safety Management set out in HSG65
Develop a positive Safety Culture
Detail any recent changes to health and safety legislation
Reiterate the general principles of risk assessment and risk control
Prepare and use appropriate active monitoring techniques
Conduct adequate investigations of accidents

Programme summary

Moral, legal and financial reasons for managing health and safety
The role of the manager
Risk assessment
Controlling risk
Responsibilities for health and safety
Investigating accidents
Measuring performance

Please note that IOSH will only issue certificates on successful completion to attendees who have gained the full IOSH Managing Safely award previously. Previous certificate number will be required.

Fees

£165 (plus IOSH Fee) + VAT (non-residential). *Please note IOSH fees may be subject to change.*
